Bandung, Februari 2015

HR Division  
PT Tokopedia  
Jalan Raya Perjuangan No 12 A Kebon Jeruk  
Jakarta Barat, DKI Jakarta, Indonesia

Dear Mr / Mrs,

*I would like to apply for the position of 'Software Engineer' which you advertised in your own website which can be access at [jobs.tokopedia.com](http://jobs.tokopedia.com).*

*I just graduated from Telkom University for Information System major this year. I've build-up a electronic marketplace named Telkom University Store (TEL\_US) as my final project. I've a willingness for learning by doing and learn from any experience as much as i could in your company because I've realized I just graduated and lack of experience. I am very interested in technology stuff, that's why I trying to apply for 'Software Engineer' position.*

*I have enclosed a copy of my resume for you review. If you have any question please give me a call at 0852 246 22336 or you can send me email at [yusufrahmadi.id@gmail.com](mailto:yusufrahmadi.id@gmail.com). I look forward to hearing from you.*

Sincerely,

Yusuf Rahmadi

## DESCRIPTION

Hello , as you know that my name is Yusuf Rahmadi. I am looking for a company offering me the opportunity to learn and get some experiences about technology's stuff. I am able to work well both on my own initiative and as part of a team. My main strengths are adaptability, dependability and the determination to get job done as well as I can. I try to learn something new from every experience because I believe there is always room for self-improvement both personally and professionally.

## PERSONALITY STRENGTHS

Good personality Good learner  
Responsible Discipline  
Honest Hard worker
